Fourth Quarter 2026

Home is a place where a person or family lives, combining a physical shelter with a deep sense of safety, comfort, and belonging.

As 2026 comes to a close, let us give thanks for one another and our special neighborhood that we call home. New families who moved in this year, we are glad you are here! This is a place where people watch out and help one another. We have seen small kindnesses make a big impact. Thank you to all the neighbors who brighten up our streets with beautiful landscapes or festive holiday decorations.

The Orchard Hills Neighborhood Association serves this little piece of Garland that we all call home. Thank you to our dedicated OHNA board members who meet to plan annual events and make it all happen. Did you know that they also pray for every home, every family, and every person who lives here? As you look forward to the new year, think about taking an active position on the OHNA board of directors next year.

Wishing each of you a happy holiday season and blessings in the new year!

Margi Bice, Co-Chair of OHNA

2027 Newsletter Update: Going Digital

Due to the increasing amount of content and the rising cost of printing, we will transition to an all-digital format beginning in 2027.

All quarterly newsletters will be available to view or download at https://newsletters.ohna.us, even if you are not currently on our mailing list.

To receive newsletters directly by email, subscribe at https://subscribe.ohna.us.

Thank you for your continued interest and for supporting our neighborhood!

Veterans Day: Honoring Those Who Served

A Tribute to Our Veterans in Garland, Texas

Every November 11, our nation pauses to recognize the men and women who have served in the United States Armed Forces. Veterans Day is more than a date on the calendar—it is an opportunity to express our gratitude to those who answered the call to serve and protect our country.

Here in Garland, we are fortunate to live among neighbors whose lives have been shaped by military service. Some served during times of war, while others served during peacetime. They represented our country in the Army, Navy, Air Force, Marine Corps, Coast Guard, and Space Force. Regardless of when or where they served, each veteran made a commitment that deserves our lasting appreciation.

The sacrifices of our veterans extend far beyond their years in uniform. Military service often means time away from family, missed celebrations, difficult assignments, and experiences that remain with them long after returning home. Their service helped preserve the freedoms and opportunities we enjoy today.

Veterans Day also reminds us that gratitude should not be limited to a single day. A sincere thank-you, a thoughtful conversation, or simply taking time to listen to a veteran's story can make a meaningful difference. We can also honor their service by supporting veteran organizations, remembering those who never returned home, and teaching younger generations the importance of patriotism, service, and sacrifice.

As neighbors, we have a special opportunity to recognize the veterans who live among us. They are our friends, family members, neighbors, and fellow community members. Their service is part of our neighborhood's story and our nation's history.

In observance of Veterans Day, let us take a moment to say what should never go unsaid: Thank you for your service. Thank you for your sacrifice. And thank you for helping preserve the freedoms we cherish.

To all veterans in our Garland neighborhood and throughout our community, we honor you on Veterans Day and every day.

Newsletter of the Year

We're delighted to announce that our neighborhood newsletter has been recognized with a **Newsletter of the Year** award from the City of Garland! It's especially gratifying to know that all those hours chasing articles, collecting photographs, correcting typos, and occasionally wondering why nobody sent us anything actually paid off!

Of course, a newsletter doesn't happen by itself. It takes contributors, volunteers, advertisers, and readers.

We're proud to be the voice of our neighborhood: sharing news, celebrating accomplishments, promoting events, and occasionally reminding everyone about the important things happening right around the corner.

A heartfelt thank-you goes to everyone who contributes, proofreads, reads, supports, and encourages our newsletter. This award belongs to the entire neighborhood!

We'll proudly display this recognition—right next to the computer where we will spend far too much time putting the next issue together!

Special Thanks to our proofreader Mollie Wright

District 5 Update

Hello, Orchard Hills neighbors!

We've had so much happening in Garland this year. As we head into cooler weather and the holidays, I hope you all stay safe and warm.

Proposition A Passes
Garland voters approved Proposition A in the November 3 Tax Rate Election, with 51% voting yes. The adopted rate of $0.6799 per $100 of taxable value is lower than last year's rate of $0.6897. The vote allows the City to hire 10 police officers, 9 firefighters, 8 emergency dispatchers, and 3 Animal Services Technicians, while maintaining library resources, community events, and the security and maintenance of our parks. I am so grateful residents have placed their trust in us to deliver these initiatives. Council and staff are committed to spending these funds as promised and keeping you informed along the way.

GP&L Electric Rate Reduction
As of October 1, Garland Power & Light has reduced its electricity rates. For the average residential customer, that means a monthly bill that drops from $163.10 to $151.10: about $12 per month, or $144 per year. Savings will vary with electricity usage. The reduction was made possible by lower wholesale energy prices in the ERCOT market, driven in part by new solar and battery storage resources coming online across the state.

The following projects are funded by the 2019 Bond Program.
Saturn Springs Drainage Project
The Saturn Springs Drainage Project is a major infrastructure investment. Project design plans are at 100% and under final review. The City of Garland Engineering Department is coordinating utility relocations, including significant Atmos Gas line work, and easement acquisition is approximately 70% complete.

Expect to see franchise utility crews working in the area as early as December. The project is planned to go to bid in the first quarter of 2027, with construction expected to begin a few months after that. Given the scale of this project, construction will span several years, but the end result will be new streets and improved drainage for the neighborhood. For questions about the project, contact George Marshall, Project Manager in the Engineering Department, at 214-740-6277 or gmarshall@garlandtx.gov.

District 5 Update (continued)

RICK ODEN PARK

Jack Coleman Pickleball and Tennis Center

The center opened October 10. The former tennis-only center has been redesigned as Garland's pickleball hub, with standalone pickleball courts, dual usage courts, and a refurbished pro shop. Four dedicated tennis courts remain. The facility at 845 Briarwood Drive is ready for play. I have fond memories of using the courts, and I'm excited that the renovation will provide new amenities for generations to come. Courts can be reserved online through the Impact Activities portal. For questions, reach the center at 972-205-2977 or JackColeman@ImpactActivities.com.

Jack Coleman
Pickleball and Tennis Center

Rick Oden Splash Pad

Construction will begin soon, with completion expected in summer 2027. The playable area of the splash pad will be approximately 6,700 square feet. Including the 5-foot sidewalk directly around the playable area, the footprint is approximately 8,710 square feet. The splash pad will be on the Briarwood side of the park across from the playground.

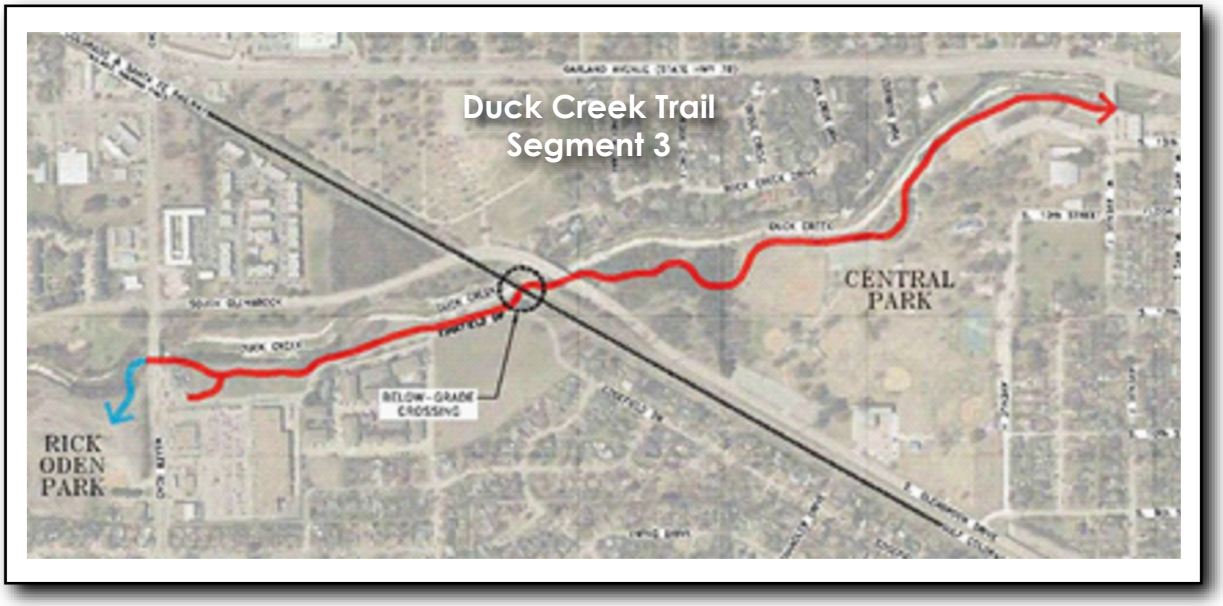

Rendering of the
Rick Oden Park splash pad

District 5 Update (continued)

Duck Creek Trail, Segment 3

The Garland Parks Department is working with the CPKC Railroad to complete Segment 3 of the Duck Creek Trail, which runs from Rick Oden Park toward Central Park. The CPKC Railroad has given tentative approval for the trail to pass beneath the railroad, and the design consultant is updating the plans, including an overhead protection structure at the railroad location.

Kingsley Park

Plans for Kingsley Park are moving through design. The park will include a playground, a futsal court, a plaza, and an irrigated lawn. The Parks Department has reviewed the 60% plan set and returned its comments to the design consultant. Plan revisions and coordination are underway. The project budget is $1,721,000.

District 5 Update (continued)

Fire Stations

Fire Station 1, at 427 Allen Street, is a two-story, 20,278-square-foot building. It houses two fire companies, with six apparatus bays, 15 dorm rooms, and nine restrooms. Fire Station 7, at 1910 Pleasant Valley Road, is a one-story, 14,555-square-foot building with four apparatus bays, 11 dorms, and seven restrooms. Both stations have features that specifically address firefighters' safety and well-being.

ORCHARD HILLS NEIGHBORHOOD ASSOCIATION

District 5 Update (continued)

Garland Senior Activity Center

The new Garland Senior Activity Center held its ribbon cutting on October 30 and is expected to fully open by late November. The 27,000-square-foot facility at 601 West Avenue B in Downtown Garland includes a fitness area, a fenced courtyard with covered patio, a group exercise room, a catering kitchen, a library, a game room, an arts-and-crafts room, a dining room, two pickleball courts, and a kiln for pottery. A veterans memorial will be added before the end of the year.

Garland Senior Activity Center

NEWS AND EVENTS

Audubon Recreation Center to Be Renamed for B.J. Williams

During the November 2 Work Session, City Council unanimously agreed to rename the Audubon Recreation Center in honor of former District 4 Council Member B.J. Williams, who passed away in September. Williams served six terms on the Garland City Council and frequently held community meetings at Audubon, which made it a fitting tribute. Plans include illuminated exterior signage and an interior display telling the story of his service. I served with B.J. for two terms and miss him dearly.

Día de los Muertos

Garland's Día de los Muertos celebration was incredibly successful and saw over 21,000 visitors. I am happy to see this event continue with the passage of Proposition A.

An artis paints on alebrije

District 5 Update (continued)

Harbor Freight
Harbor Freight has applied for a building inspection permit for the vacant space on Centerville Road that previously housed Office Depot. No opening date has been announced, but it is an encouraging sign of activity at that site.

Upcoming Events
Christmas on the Square: Friday, December 4, 5 to 9 p.m., Downtown Garland Square. The tree lighting is at 6:30 p.m. Enjoy live music, carolers, visits and photos with Santa, live reindeer, a snow hill, train rides for little ones, a mega ball pit with slides, holiday shopping and artisan crafts, and treats from Downtown eateries and food vendors.

Sensory-Friendly Celebration: Thursday, December 10, 5 to 7:30 p.m., Central Library lobby, 625 Austin Street. Friends in the sensory community are invited to a quiet evening gathered around a Christmas tree, with no crowds, fireworks, or loud music. There will be seasonal treats and activities and a special Santa to mingle with guests.

Yours in cheerful service,
Margaret Lucht

2026 Block Party and Food Drive Review

On the afternoon of October 24, sixty-eight neighbors gathered in the heart of our neighborhood on Old Orchard Road at the annual OHNA block party. The weather was beautiful: no rain, no wind, just sunshine. There was plenty of food, games, bubbles, prizes, and music. The Garland Firefighters and the Garland Police Officers stopped by to hang out and answer questions. Officer Pesta promoted the GPD Citizen's Police Academy that starts in January. And the mailman took time to stop, say hi, and grab a hot dog and bag of chips before continuing his route. One of the event highlights was our own City Councilwoman, Margaret Lucht, singing for us live! Our neighborhood generously donated 601 pounds of non-perishable items to the Good Samaritan food bank, exceeding last year's donation by 97 pounds!

Thank you, neighbors on the Old Orchard circle and our OHNA board for hosting a wonderful block party!

Margi Bice

Block Party Photos

Crime Watch

Hello, everyone!

Hope all is well! Finally got some cooler weather to enjoy.

We had a great day at our block party this year. It was good to see everyone that came out. Officer Sherry could not spend a lot of time with us this year. He stopped by on his way downtown to work the Dia de los Muertos event. He said things were mostly quiet around the neighborhood. There have been reports of gunshots in the creek, and they are looking for clues for that. Some graffiti has shown up at the skate park, and the city is working to clean that up.

And now for the serious stuff! Nancy and I keep American flags on both sides of our front porch, ones like we put out for special days. They came up missing recently, and I found one on our neighbor's sidewalk. I asked my wife what happened, and she went back using our cameras to find the culprit. It was a squirrel! He tugged and pulled on it until it came out of the ground and ran off with it. He came back the next day and took the other one. He even took the hats off the scarecrow stick figures in the flowerbed in front of our windows!

That being said, the holidays are around the corner, so be aware of your surroundings and keep doors locked at all times and all your valuables in the trunk while out shopping! If something looks suspicious, call the police. They would rather come see what it is than have something happen and no one reporting it. Have a wonderful Thanksgiving and a Merry Christmas!

Jimmy

Yard of the Season - 2616 Saturn Road

The Orchard Hills Neighborhood Association (OHNA) is honored to announce Josefina Raya of 2616 Saturn Road as the recipient of the Fall 2026 Yard of the Season award.

For over 30 years, Josefina has poured her heart into turning her property into a vibrant, loving home. After relocating from Mexico for an exciting new opportunity, she used this lovely space to raise her four children and five of her grandchildren. Today, her front yard stands as a beautiful gift to the entire Orchard Hills community.

Visitors and passersby cannot help but feel a deep sense of peace when approaching the home. A meticulously crafted stonework path guides guests under a lush canopy of mature trees, surrounded by vibrant greenery, succulents, and aromatic herbs.

Nestled gracefully among the ivy and ferns near the entrance is a tender tribute to Mother Mary holding baby Jesus, situated just above a charming miniature fairy garden. Adding a touch of whimsical flair to the front lawn is a decorative white iron tricycle, placed thoughtfully for neighbors to enjoy a glimpse as they walk by.

Yard of the Season - 2616 Saturn Road (continued)

What makes Josefina's stunning garden truly remarkable is that it doubles as a living timeline of her family's history. Most of her featured plants were gifts from her loved ones, which she meticulously nurtures year-round. Her impressive botanical collection includes:
Structural Succulents: Bold agave and thriving aloe plants.
Lush Greenery: Vibrant snake plants, cascading golden pothos, spider plants, and classic Boston ferns.
Vibrant Blooms & Herbs: Radiant shrub roses, festive poinsettias, and patches of aromatic mint.

While the front yard catches the eyes of the neighborhood, Josefina's absolute favorite escape is tucked away in the back—a serene, private pond where she finds quiet moments of relaxation.

When she isn't transforming her landscape, Josefina stays incredibly active. She is a dedicated employee at Good Shepherd Catholic Parish and a passionate attendee of church services. Her days are constantly filled with projects, whether she is tending to her garden, whipping up delicious weekday meals for her family, or using her sewing skills to hem clothes for family and friends.

Over the last three decades, Josefina has watched Orchard Hills evolve. The biggest change she has noted is the arrival of new neighbors, bringing with them unique, diverse ways of maintaining their own yards.

OHNA is incredibly proud to have longtime residents like Josefina who inspire the rest of the community to take pride in their properties.

Congratulations, Josefina, on this well-deserved honor! Thank you for keeping Orchard Hills beautiful.

If you have a neighbor who deserves recognition for their hard work in yard work, send an email with the nominee's name, address, and a brief description (or photo) of their yard to: yard-of-the-season@ohna.us

Taking a Winter Break Until February 27, 2027

As we head into the cooler months, our neighborhood garden volunteers gathered for one final Garden Workday on Saturday, November 14.

This was our last opportunity to tidy up the garden, take care of a few remaining projects, and prepare everything for the winter season. As always, a little teamwork went a long way toward keeping our neighborhood garden looking beautiful and welcoming.

Following the November 14 workday, the garden will take a well-deserved winter break. There will be no scheduled Garden Workdays in December or January, giving everyone time to enjoy the holidays and the quieter winter months.

We will resume our regular garden activities on Saturday, February 27, 2027. We look forward to welcoming everyone back to kick off another season of gardening, fellowship, and neighborhood improvement.

Whether you are a longtime volunteer or someone who would like to join us for the first time, we always appreciate an extra set of hands and a friendly smile.

Thank you to everyone who has contributed their time and effort throughout the year. Your dedication helps make our neighborhood a more beautiful place to live!

Mark your calendars February 27, 2027 is our spring-season kickoff!

Make a Difference in Orchard Hills!

A great neighborhood doesn't just happen—it grows because neighbors like you pitch in. Whether you have an hour to spare a few times a year or you're looking for a bigger role, there's a place for you in Orchard Hills.

We're always looking for volunteers to serve on the OHNA Board or join one of our committees. It's a great way to meet your neighbors, make new friends, and help shape the future of our community.

Here are just a few ways you can get involved:

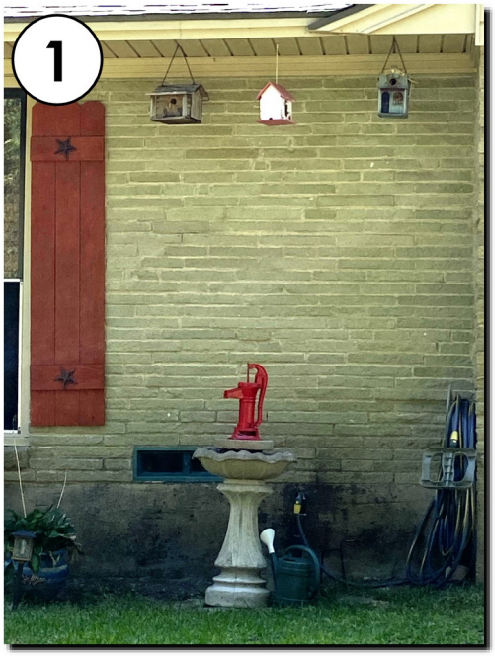

- **Newsletter Delivery** – Help distribute newsletters and flyers throughout the neighborhood.
- **Patriotic Flag Display** – Assist with placing and collecting American flags for three holidays each year.
- **Annual Block Party & Fall Garage Sale** – Help plan and organize two of our favorite community events.
- **Garden Work Days** – Keep our neighborhood flower gardens looking beautiful.
- **Newsletter Contributors** – Write articles, share neighborhood stories, gardening tips, or community news.
- **Social Media** – Help keep everyone informed by creating posts and sharing updates online.

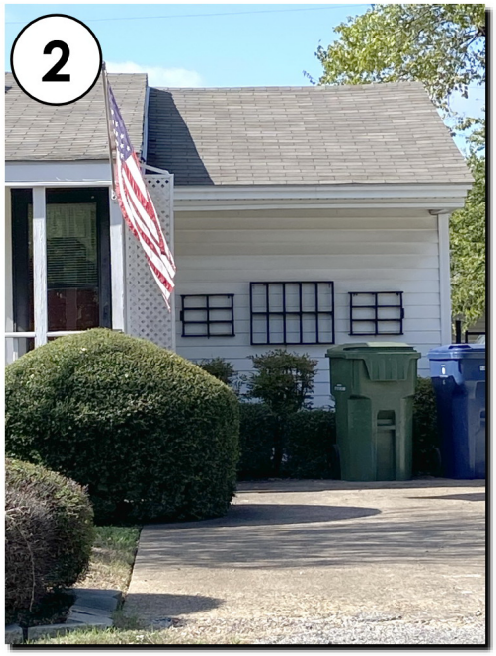

No matter your interests or schedule, there's a volunteer opportunity that's right for you. Every helping hand makes Orchard Hills an even better place to live.

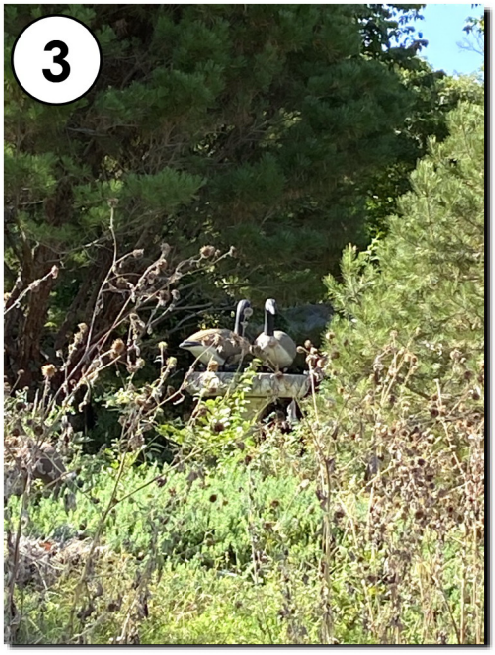

The best part? You'll meet wonderful neighbors, have a few laughs, and see the difference your efforts make firsthand.

Interested? We'd love to hear from you! Contact us at **Volunteer@OHNA.us** to learn more about volunteer opportunities.
